E-Gate International co.

Company Profile

Marketing Department
1-1-2020

About us

E-Gate is the perfect hub for innovative and smart technology Since its establishment in 2004, We gathered a wide experience & in-depth technical skills that allowed the company to provide customers with professional services in various segments.

The company transformed from being a pure AV provider to becoming an ICT & Professional Security solutions integrator while serving many businesses in Kuwait and completed successfully more with over 100 satisfied clients.

Vision

Be the pioneer in intelligent ICT solutions and effectively contributing to our client's Success.

Mission

Help our customers achieve more with intelligent, value adding and affordable solutions.

Why E-Gate?

Expert Team

We have a certified, qualified, experienced, and professionals' team who can meet all clients' expectations with great performance.

Innovation

We work on providing you with innovations that help you move forward and keep up to date with current and future challenges.

Credibility

We strive to deliver on our promises and do our best to exceed customer expectations and more.
